## THE AMERICAN HERITAGE SERIES

Come join us for the video series "The American Heritage" by historian David Barton. This DVD series will help you discover the forgotten and astonishing story of our nation's foundation. For centuries, Americans were taught a truthful view of history that recognized the Godly heroes and moral foundation our nation was founded upon. But in recent years, a new version of history has assaulted the moral and spiritual fiber of our nation, leaving the truth of our past eliminated and forgotten. From Separation of Church and State, to the Civil Rights Movement, to the heroism of our Founding Fathers, to the building of our nation's monuments, this series will inspire every American to reclaim the Godly, true story of our nation. Join historian David Barton and experience the untold story of our nation's history in the American Heritage Series.
